

**WEEKLY UPDATE**

**September 11, 2020**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. As we previously reported, 61 residents and 24 staff members have tested positive for COVID-19 since the onset of this pandemic.

We will continue with the serial testing of our staff per the CMS guidelines, and at this time that is twice weekly. Please continue to keep our residents and staff in your thoughts and prayers as we continue to work hard to keep COVID out of our facility.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 843-821-5005.

Sincerely,

*Gwendolyn Robinson, LNHA*
